A photograph taken from the interior of a boat, looking out through a large window. The window frame is dark wood. In the foreground, a portion of a light-colored daybed is visible, with a dark blue patterned cushion resting on it. The view outside shows a vast expanse of blue ocean with gentle waves. In the distance, a low, hazy coastline is visible under a pale sky. The overall mood is serene and peaceful.

**The day bed in the main living area
offers an unparalleled view of the beach.
Flowers from Grandiflora, Potts Point, NSW.**

Waves breaking on the beach and
the simple pleasures of shared
living are the formula for creative
expression at this New South
Wales beach house.
